My Friend Chief

I was sorry I did not see you last Thursday when in Mafeking, I was sorry when my men told me you passed by the new library, I wanted to take you through the Town Hall that I finished, I wanted your opinion on the Coat of Arms I made, also I wanted to take you into the New Library, I have been busy, I just finished Mr. Little's Chemist Place, but things I think will be a little bit quiet soon, As I must say How sorry I was to hear about another Cattle Sickness namely 1/ or 5d a mile that is the name it get's here, why does the Govt. pay them for travelling dont they get good pay's for all they do, it is about time it was stopped & tell them if they cant work for the pay they get, without travelling allowance back them or get some men that will do it for there
