KNM 1 TKP 34

RESIDENT MAGISTRATE'S OFFICE,

Serowe

6th April 1932

The Chief Tshekedi Khama

Serowe.

My Friend,

Quarantine Camp.

With reference to your letter of 23rd March 1932 addressed to His Honour the Resident Commissioner on the above subject, I am directed to inform you that since receiving your letter His Honour has been officially informed by the Government of Northern Rhodesia of an outbreak of Lungsickness in the Caprivi Strip.

The Chief Veterinary Officer is proceeding to the spot to investigate the matter and as soon as his report is received His Honour will be in a position to reply to the Chief's letter.

With greetings

I am

Your Friend

G R Mettelton

Resident Magistrate.
