KMM 1 TKP 95

December 11th, 1935.

Messrs. Mendelsohn & Co.,
P. O. Box 853,
C A P E T O W N.

Dear Sirs/

I am sending you under separate parcel post cover two ivory bangles (real ivory), and they are rather too thick. I should very much like you to reduce them and make them thinner. In addition to this, I should like you to polish them, and also to make gold joints on them in order that they open out. ~~like round ear-rings~~.

Thanking you in anticipation,

I am, dear Sirs,

Yours faithfully,
