Miss H. B. Moshoela,
P. O. The Stadt,
Mafeking,
C. P.

Dear Sister,

This is only a very hurried note.

I read your note to me whilst in the car to the District Commissioner's Office, at which appointment I was one hour late. I therefore had no chance to bid you good-bye as well as to find little more of what was happening at Mafeking about my family.

You know my attitude in these things; I always find it convenient to leave it all to HIM.

I have not even informed Ella about your going so hurriedly as I have not been to see her since you left.

If you desire to write anything personal to me mark the letters "Personal", and they will not be read.

With kind regards.

Your brother,
