Cape Town.

My Friend,

I thank you very much for your kind letter of the 9th July, and also for the cheque that you sent to me.

We are all very well, and trying to keep fit, although we are passing through very trying times in that the people have no food, all owing to the failure of our annual crops, and also the scarcity of water for both man and beast, speaking nothing of having no market for our cattle and produce.

I do not think you will see me in Cape Town in the near future. My sincerest greetings to your family, while at the same time reciprocating your kind greetings to both mother and myself.

Your sincere friend,
