KMM 1 TKP 30

RESIDENT MAGISTRATE'S OFFICE,

SEROWE,

12th DECEMBER, 1931.

My Friend,

With reference to Mr. England's conversation with regard to the possibility of sending a Toy Carver to ply his craft at the Exhibit, will you please let me know as soon as possible if you can arrange for a suitable man to go.

The conditions are as follows :-

He will be required to leave for Johannesburg on approximately March 20th. 1932, and will probably get back to Serowe about the end of the month. A free return third class fare will be provided, and if necessary transport from Serowe to Palapye Road.

Subsistence at the rate of 3/- per day will be paid from the date of leaving Serowe until his return there free accomodation will be provided at the Show Ground, but not rations.

It will be necessary for this man to provide a supply of suitable wood, sufficient to keep him busy for ten days, this wood should be sent to Lobatsi by February the 28th. so that it may be sent to Johannesburg with the other exhibits. Such toys as he carves during the Show shall remain the property of the Exhibit Committee

I should be greatly obliged if you would excercise your discretion, and select a native of cleanly habits, it being a condition of his employment that he appear in Native dress and not cast off European clothing.

With Greetings,

I am, Your Friend,

W Botts

Resident Magistrate.

THE CHIEF TSHEKEDI KHAMA,
Serowe.
