Mrs E. M. Smith

Johannesburg.

Dear Mrs Smith,

I have received your letter of the 17th Inst. as well as several others in connection with the money with the money which Sebina owes you.

The small payments which have been made have all been done through my efforts, but Sebina himself is having a very hard time and I am in fact finding it impossible to raise any money from him.

This letter is merely intended to acknowledge the receipt of yours.

With greetings to the family.

Yours sincerely
