My Friend,

I take to inform You of my safe arrival home & again thank You for the kindness shown by You & Yours towards me during my visit to Serowe also for the kind offer You extend to me in Connection with any future visits.

I enclose receipts as per Your request & would inform You that it appears I must have made a clerical error in my additions, as the total amount appears due 19/- less than Your Cheque value £16-2-0. so I have placed 19/- to Your Credit pending any instructions from You.

I saw Dathoen to-day & gave him Your greetings he will call on me before his return to Kanye.

Greeting to You & Yours.

Yours Sincerely
Arthur E. Lister
