Mr Ferdinand Jacob,
P. O. Box 3836,
JOHANNESBURG.

Dear Sir,

With reference to your letters of the 18th May and the 3rd June, I can now give you a definite reply that there is no possibility of any negotiations with you in connexion with mining and prospecting rights. I regret this is all the reply I can give in this connexion, and sorry that it has not been possible for us to do business together.

Sincerely yours,
