Ref. To.387.

Dear Chief,

Yours of the 27th inst. in above connection to hand today.

You have perhaps seen that I intend upon shortly to assist Mr Quinn. The last period of theatre has resulted in a nett loss of approximately £90. Mr Quinn desires to give up and unless a thoroughly honest and good man can be found it would be foolish to continue. Everyone of the prospective buyers have been Francistown firms and Mr Baldwin is the only one so far who has offered a price that will enable me to sell at a figure that will mean I will not lose much on the theatre philanthropic effort.

With this explanation before you I hope you will sanction Mr Baldwin's licence. If this could be done at an early date it would further lessen my losses and would be greatly appreciated

Yours faithfully Lencenda M. C. Khama
