My dear Friend,

Very many thanks to you for your letter of the 29th April, & for the kind words you wrote. You held a high place in my wife's esteem & affection, & your message brings warmth & comfort to our hearts. I sent it first to Jean who is in training in Kimberley hospital & now I am sending it to our two boys in England. In their name & the girls' & my own I send you heartfelt thanks.

With affectionate greetings to you & Mother & yourself

Yours very sincerely
Ian Smith
