Dear Chief Tshekedi,

Thank you very much for putting a poem in my autograph album, will you please thank the other two who contributed to my album.

I remember Serowe a little bit, and sometimes wish I was there.

On Saturday we as Guides were at a display of youth organisations, the duke and duchess of York were watching it, they were watching fireworks that were going of all over the Town, the important places were flood lit, the Town looked lovely.

With Love

from

Helen
