Dear Isheledi

Sorry I missed seeing you when I was over at Serowe on 30th ult. Had a note from Miss Mashalela saying you were satisfied with the Wedding Group & would explain to the other. I know it certainly does not do you justice but the small snap was very poor & was absolutely the best I could do I am prepared to do another one of you & your wife I'll let you both to chose in your wedding cloths & I'll take a good Photo, when I come over in September with Dr Lister who I expect early in Sept- I would esteem it a great favour if you will kindly let me have a cheque for the one Photo Group £7-10 one pays me Since my husband's gone - I would not ask but have a lot of pressing acho, please excuse me asking) with Kindest regards to you & yours

Your sincere friend
Dr Lister
