Dear Sir,

Many thanks for your kind note of the 29th ultimo.

I greatly appreciate the advice which you have given me and I have asked Mr Grenfel who knows more about this damage at Bushman Mine than myself out here, because of his friendly assistance to me, to try and see you about this matter, and perhaps you might be able to put ~~me~~ him in touch with your man referred to for advice.

Thanking you ever so much for the advice, and

With kind regards,

Yours sincerely,
