Mr E. C. Parr,
SEROWE.

Dear Sir,

Thank you for your letter of today.

I might have bought some of the cattle from Disañ's Estate, but I did not wish to have anything to do with Disañ's cattle: this is purely a personal feeling but that is the position. I do not mind where the cattle are got from as long as they are 10 heifers which would be worth £3 a piece and one heifer worth £2, but, as I have said, I did not want to do anything with Disañ's cattle.

I am in no hurry about the cattle nor am I pressing fof the 11 heifers described above; if better heifers cannot be got I would be willing to receive 12 heifers, some picked out from those which were presented this morning, with others of a better kind thrown in to make up the number.

If you like I can come up some time this afternoon to pick out some of the heifers which were presented this morning.

Yours sincerely,
