KMM 1 TRP 19

RESIDENT MAGISTRATE'S OFFICE.

SEROWE,

28th. June, 1928.

Headman Edirilwe Seretsen

SEROWE.

My Friend,

A traveller reports to me that on his way along the Rakops road he was outspanned at Sookoswe and found a person dead. The body was not well buried, about one foot under the ground and the head sticking out - there were bushes over the body. The exact place where the body is is about 100 yards from the road on the West side and about 300 yards from the big tree at Sookoswe in the direction of Mashoro.

It seems strange that a body should be left so badly buried and I should be glad if you would send out and try to find out about it and whether the person died a natural death.

According to my information the death must have taken place about 10th. June.

With greetings,

I am, Your Friend,

G R Metcalfe

Resident Magistrate.
