Dear Chief Tshekedi,

I have received a letter from the Monastery telling me that you have sent me a lovely skin. It is extremely kind of you & I am very grateful. I am having it sent direct to my home & my Mother will keep it for me. I am very anxious to see it, but I am afraid that is impossible until I go home on leave.

I trust you are very well & have quite recovered from your operation.

Thanking you again.

I am,
Yours Sincerely,
(Nurse) Iris Wallace.
