Mr. M. Hommel,
Carrington Street,
MAFEKING.

Dear Sir,

Some time ago I wrote to you and asked you to quote me for some boxing outfit, and up to the present I have not received a reply from you.

I shall be much obliged if you will kindly send me at your earliest convenience two pairs of boxing gloves and any other items necessary for training, and send the account for settlement.

Thanking you in anticipation,

Yours faithfully,
