Dear Sir,

I thank you very much indeed for your letter of the 24th ultimo in which you ask whether it would be possible for you to pay us a visit in Serowe on your way back from Rhodesia, and I write to tell you how very delighted we shall be to see you amongst us.

Please send me a telegram when you do come, and I shall arrange for the necessary conveyance and I shall go personally to the station to meet you.

With kindest regards,

Yours sincerely,
