The Chief Tshekedi Khama,
Serowe.

My Dear Chief,

It is with regret that I have to inform you of the death of my Mother on Sunday morning at 2.15 at the Athlone Hospital. The burial took place at home on Monday afternoon at 4 p.m.

Life so far is quite good with the rest of the family, except for the old man who is not too well. As you probably know he is a bit blind and cannot see properly and old age too has grown and become a hindrance to him.

I promised to write to you in connection with the other business but I find that those records which I was going to refer to have been taken away whether by the new D.C. or by the clerk I am not sure. I have been rather unlucky in what I tried to find out.

Have you yet heard when the case is coming off? I mean the exact date. We have so far not heard anything. In fact I was given to hear by a certain European here that the Session sitting was ~~xxxxxxxx~~ ~~xxx~~ sometime in May but that your Case was not being heard, and I wonder whether there is any truth in this statement. Perhaps he wanted to pull my leg. I hope you have had good rains. It is dry here.

With the best of wishes to you Chief and the Queen and Your Royal Family,

Very humbly yours,
S. Ruqoo
