Ref. No. P0303.

May 22nd., 1939.

Messrs. I. Mendelsohn & Co.,
P. O. Box 853,
CAPE TOWN.

Dear Sirs,

Please make me a medal to the following description:

Solid Silver, size and thickness of the enclosed medal;

Inscriptions (words, figure and style) to be the same as the inscription shown on the right hand corner of this letter i.e., "With God all things are possible, and a drawing of a duiker". The words are the motto and the duiker a tribal totem;

Figures and figure to stand out as in the enclosed medal, instead of being engraved;

You will notice that the eye of the duiker is quite defined in the figure, and, if possible, I want a diamond eye fitted into the figure on the medal;

A ribbon and pin of exactly the same style as that on the medal sent as a sample should be fitted to the medal on order, but this ribbon should be a "Union Jack" flag;

Awaiting to hear from you and thanking you in anticipation,

Yours faithfully,
