FORT HARE,
ALICE,
CAPE PROVINCE.

24th April, 1936.

Chief Tshekedi Khama,
Serowe,
BECHUANALAND.

Dear Chief Tshekedi,

I am to be in Rhodesia during the first fortnight in May and I am wondering whether it would be possible for me to pay you a visit at Serowe on my way back and to see the work at the Khama Memorial School where one of my students is teaching.

I shall probably be returning from Bulawayo towards the end of the week ending 16th. If this were to be convenient for you, a note to me c/o Tiger Kloof up to the 4th or 5th or, after that, c/o G. Stark, Esq., Director of Native Education, Salisbury, will find me; and I can let you know the time when I should arrive at Palapye Road.

With kind regards,

Yours sincerely,

Alexander Kerr
