My Friend,

The Government has granted £200 for the repairs of the Road from Mahalapye Station to Basinghall in the Tuli Block and it is desired to put this ~~road~~ work in hand. This is the road used by Motor Cars going down to the Tuli Block and it will remain just the same only now that Tribal labour is not available Labourers will be paid and they will work under a European Foreman.

I am telling you about this first and when I have your reply I will tell Sergeant Bradley to get Mompati to hire ten boys for him at 1/6d. per diem as is being paid for Hospital work. They will begin by repairing the causeway across the Mahalapye River where Cars cross.

With greetings,

I am, Your Friend,

G R Mattolton

Resident Magistrate.
