RESIDENT MAGISTRATE'S OFFICE.

SEROWE,

31st. August, 1928.

My Friend,

With reference to Dumedisan's complaint about being assaulted by Masarwa, as the affair took place on Crown Lands I am instructed that the case must be tried by the Resident Magistrate, Francistown, under whose jurisdiction that part of the Territory is.

I am also instructed that Dumedisan will be charged with assaulting the Mosarwa, Tsebanana, as Dumedisan struck the first blow and he caused the trouble.

I shall be glad if you will keep all the persons concerned together and as soon as I hear from Francistown I will arrange for them to go there.

I would suggest that one of your representatives should go to Francistown to listen to the case.

With Greetings,

I am,

Your Friend,

G Mettelton

RESIDENT MAGISTRATE.

Headman Ederilwe Seretse,
(in absence of the Chief Tshekedi),
