Dear Chief,

I wrote some time ago that my wife & I & our daughter hoped to visit Serowe for a short visit.

If our trip takes place as planned we should reach Serowe on Christmas Eve, a fortnight from today. We leave early on the Monday morning. I wish we could have arranged any other time but it is a question of fitting in dates.

I hope that you will be at Serowe then. Could you please send me a line to the Lord Bishop of Kimberley, Bishopsgarth, Kimberley, to say if you will be there. Hope & pray Xmas for Dec 1920.

I would like to take this opportunity of saying how deeply I have been grieved at the sorrow you have had in the last year in connection with your family life. It is too sad.

If you cannot be in Service at the time I mentioned Dec. 24-26 would you please send me a telegram at Bishopscourt, Kimberley? In that case I should probably not be Bechuanaland part of the time & go to Rhodesia via Johannesburg as I shall have to do this anyway if the rainy season has set in. I think the road would be too risky in wet weather, would they not?

If I come as arranged, I should be staying at the Boarding House kept by Mrs Pagewood.

Believe me
Yours sincerely
C. J. Fergusson-Davie
