Headman Edirilwe Seretse

Serowe.

My Friend,

With reference to my letter of 31st August last I shall be glad if you will send the Masarwa and all the persons concerned in the trouble on Crown Lands to this Office in order that they may be directed to Francistown.

If you consider it necessary you should send one of your representatives with them. I think it would be a good thing.

With greetings

I am

Your Friend

G Hamilton

Resident Magistrate.
