Messrs. W. Fair & Son,
Market Square,
MAFEKING.

Dear Sirs,

I wish to remind you that up to the present I have not heard from you in connection with my request contained in my letter of the 25th April last, in which I asked you to make me at your earliest convenience one Bedford Cord Jacket, Norfolk cut, with two outside and two inside pockets, three buttons, and that if Bedford Cord was not in stock, please make the jacket of the nearest material.

I shall be much obliged if you will kindly give this matter your kind attention, as the occasion for which I require that jacket is drawing near.

Thanking you in anticipation,

Yours faithfully,
